# BizThon - Schedule

## Walk in as a Idea, Walk out as a fully funded business

The hackathon is distributed in three phases and the final will be hosted at GITEX, Dubai. The finalists will get a chance to present their product to the investors, conglomerates, influencers, and the community.

1

Idea Submission  
12 Aug - 20 Sep

The participants will be required to submit the ideas on any of the 5 tracks, form teams, and commit code to the repos. Workshops, webinars, mentor sessions will be conducted

2

MVP Submission/  
Semi Final Round  
20 SEP - 4 OCT

The selected participants will be required to submit an MVP of their idea.

3

Final Round/ Business  
Presentation  
17 - 20 OCT

The selected participants will be required to submit a working product and present the idea to the ecosystem of Investors, Experts

# TDeFi @ GITEX

GITEX is the world's largest technology exhibition that brings together highly innovative and ambitious technical startups to showcase their world-changing ideas in a technical exhibit. It is an opportunity to showcase your product innovations in the largest exhibition filled with high-caliber speakers and international investors.

TDeFi is a forward-looking blockchain accelerator, which incubates, mentors and nurtures startups to help them bring world-class solutions to global challenges.

TDeFi connects 'YOU' to potential investors, marketers, token advisors and ecosystem partners.

# TdeFi BizThon - Partner with Us

The TdeFi BizThon at GITEX will provide the hackathon sponsors with the following

- Multifold brand positioning in GITEX - The biggest technology exhibition with 200,000+ technology participants
- Host webinars, workshops, to engage your audience on multiple exercises pre, on-site and post event.
- Active marketing options at TdeFi BizThon in the form of Track/Category sponsors.
- Scoring partners to bring developers to build and integrate with your products
- Online reach of millions of eyeballs through live broadcast and recordings
- Key note speaker slots, Panel discussions with the leaders

# Tracks and Scoring Sponsors

The participants of the hackathon will select one of the following tracks to build their ideas.. Exhibitors have the opportunity to sponsor one or more of the tracks

- CeFi & DeFi
- NFT & Social Networks
- Social Impact and Sustainability
- Gaming & Gambling
- Blockchain Everything

As a Score Sponsor, you can get Points/Score quota (TDeFi score quota is 100) You can utilize these points to bring more utilities for your project/chain. Representative from the sponsor's team will be the judge to assess the utility created by the team. Feel free to contact the team to know more about this.

# Workshops and Webinars

There are weekly and monthly webinars, scheduled for BizThon partners/sponsors. Sponsors will have access to these developers, and can provide training to these coders.

We have an ecosystem and community of more than 20000+ coders spread across Eastern Europe, Russia, India and the Middle East. Paid Advertising, airdrop based referral programs, and partner programs will further broaden our Outreach. These are the prospective participants of the workshops.
